

KEEP GROCERY SHOPPING IN HEALTHY & BUDGET-SENSITIVE LANES

My25 Integrates with Walmart Grocery

While My25 grocery lists can be used at any grocery store of your choice, we're helping Walmart shoppers as a result of our dynamic integration. With just a click of a button, My25 healthy, person-centered menus now auto populate your household's Walmart grocery cart for curbside pick-up or delivery and SNAP EBT. You, of course, can make changes in your Walmart cart to delete/reduce quantities based on what you have on hand in cupboards & refrigerators and add other items needed in the household. Yes, My25 Grocery...keeping purchases within healthy, budget-sensitive lanes while saving a monumental amount of time.

ABOUT

My25's family of products is utilized by leading human services providers supporting people with IDD, TBI, SPMI, and behavioral challenges in waiver, ICF, supported/independent living and foster/home-based settings. We uniquely and simultaneously: improve person-centered choice and clinical & social health for people supported; bolster busy, inexperienced and high turnover DSPs; streamline/foolproof the mealtime and grocery shopping process; and reduce key expenses related to food, labor, PRNs, acute care, prescription medication and risk/licensor-related circumstances.
